

have been able to navigate the forces of wind and wave, as described by the Captain, Owner and Log Book, without sustaining most of the damage noted.

If you have any further questions or instructions regarding this matter, please feel free to contact me.

This report is submitted on *without prejudice basis* to any interested parties and is based upon the facts presented and discovered, and my understanding of the vessel's construction at the time. I reserve the right to modify these comments and opinion as new information becomes available.

Respectfully submitted,

Kermit J. Naylor, CMS
Senior Surveyor
